

ROAD TO RECOVERY

MEDICATION-ASSISTED TREATMENT AVAILABLE

Your physical health is affected by your emotional and behavioral health. Both aspects are important to your well-being. Four Rivers is the community's partner for providing assistance for drug and alcohol addiction.

ADDICTION DOES NOT DISCRIMINATE

Want help? Tell a Four Rivers staff member you want help.

We will immediately have someone meet and talk with you and depending on your situation, we may be able to start the process the same day.

If for any reason, we cannot assist you today, we will guide you through every step of the process on the road to recovery.
